EST. 1973

# Legacy

Here's something we're proud of: In 1973, Franz THELL created an urban hot spot for tolerance and joie de vivre with the founding of "Motto" in the fifth district, where everyone was free to be themselves. This colorful venue in the gray Vienna of the 1970s quickly became the regular haunt of the Viennese scene.

Falco's favorite late-night restaurant is still known today far beyond the city's borders.

Now, in honor of our founder, we've renamed "Motto" to **THELL**.
